# WIKTOR PIOTR
GRUDZINA

JUNIOR PROGRAMMER

ul. Toruńska, Solec Kujawski,
668 070 667
w.grudzina@gmail.com

I try to find usage of technology around me.

Easily acquire knowledge and crave for it.

I would like to take a job where i could find more practical technologies or solutions for already developed by me skills.

EXPERIENCE

01.2019
Desktop application for psychological tests
Uniwersytet Kazimierza Wielkiego in Bydgoszcz
• Used technologies: C# - WinForms.

Application gives patients possibility of quicker test completion and analyzes data for psychologist..

10.2018
Mobile application for hairdresser
Hairdressing salon „FIONA" in Solec Kujawski
• Used technologies : Java, XML, MongoDB, SQLite.

Application gives possibility of making an appointment via mobile device.
